

Cleves Primary School

Welcome back to school. This term we are doing some very interesting and exciting things. We are keen to encourage parents and carers to help in their child's learning at home and as such we are providing you with this overview of what we shall be teaching at school. We also value any resources that you can contribute related to any of our topics. We also ask you to help us by making sure that all homework is completed. If you have any queries please feel free to have a chat with us.

Year group: 1F/1M

<u>Numeracy</u>	<u>Literacy</u>	<u>Science</u>
<p>This term we will be focusing on number. We will be looking at place value, adding 10 and 1 more, 10 and 1 less.</p> <p>We are also working on our times tables. Please support us in learning the 1,2,5 and 10 times tables.</p>	<p>Year one will be focusing on short fiction books every week and will be doing creative writing around the story. For writing, our focus will be on structuring sentences correctly, writing in the past tense and using ambitious words.</p>	<p>In Science children will be looking at the topic 'keeping warm'. Children will be exploring and looking at the properties of different materials, as well as learning about polar animals. We will be carrying out experiments to measure temperature.</p>
<u>Art/DT/Geography/History/Music</u>		
<p>We will be learning about old and new items through history.</p> <p>For Art our focus will be on Andy Goldsworthy. We will be exploring and analysing his work and will be making our own piece of artwork based around his ideas. For Music, this term we will be exploring pulse and rhythm.</p>		
<u>Religious Education</u>	<u>P.E</u>	<u>PSHCE</u>
<p>Children in year one will be looking at what it means to be Muslim. Children will be given the opportunity to learn about current beliefs, practices and lifestyles by studying holy days, artefacts, festivals and leaders.</p>	<p>This term children will be doing gymnastics and racket skills. In this unit children will develop and improve their motor skills. They will explore ways in which to use a racket by using hand, eye coordination by playing games that involve these skills.</p>	<p>Year one will exploring the topic 'Getting on and falling out'. They will be looking at building friendships and working together, listening well, getting angry and falling out and making up.</p>
<u>ICT</u>	<u>Homework</u>	<u>Educational Visits</u>
<p>In ICT, we will be using software to create and illustrate an eBook. Children will learn how to use the web safely, select and use appropriate painting tools and know how to save and retrieve their work.</p>	<p>Homework will be given every week on a Friday. This will include spellings to learn, maths relating to our topic and literacy.</p> <p>Children are expected to bring in their homework books on a Wednesday. Please support us in encouraging your children to complete their homework and return it on the correct day.</p>	<p>In relation to our R.E. curriculum, Year 1 will be visiting a mosque. We will learn about its history. We are also hoping to visit the Natural History Museum as part of our Humanities curriculum.</p>
